

Efficient writing

1-day workshop

At this course writing tools will be introduced that will make your writing more efficient. There will also be time to write on your own text, so please bring something along that you are writing on. This can be an article, a funding application, a PhD plan, a thesis or even a more popular text. Finally we will work with storytelling and apply it to your own texts.

Monday, September 14th 2023

D168a, DPU, Tuborgvej 164, 2400
København NV

Programme

9.00 – 10.30	Introduction, first writing exercise, share experiences & writing tools
